Our Focus:

“For we are God’s workmanship created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10

We have been shaped by God in the image of Christ to be servants... like Him. How does God do that shaping and molding in our life? How are we equipped to serve Him while meeting the needs of His people at our ministry centers?

Sue Steege, DCE, Director of Transitional Ministries, Tonawanda, NY will lead us in Bible Study which will yield a greater understanding of servanthood and strengthen our faith walk as servants of Christ.
